Mary Dole
Writing Process Diagram

BRAINSTORM / BRAIN VOMIT
- Get all your ideas on a piece of paper
- Begin to relate similar ideas
- Add small details (if any)

BEGIN TO OUTLINE
- Choose a topic
- Think about why to write to (purpose and audience)
- Identify thesis (if needed)

WRITE
- Organization/ architecture
- Word choice
- Focus on main ideas with supporting details

REVISE
- Reorganize architecture
- Reword sentences that don't make sense
- Make changes to improve writing without taking away from the main idea

EDIT
- Ask peer to revise and give advise
- Discuss changes and improvements with professor
- Reread out loud
- Add those suggested changes

PUBLISH
- Present final copy
- Upload to teacher
- Share with your audience
